*Timeline*

*1825* Erie Canal is completed. It links Lake Erie to the Hudson  
River.  
*1850* 900 miles of track laid in twenty five states east of  
the Mississippi River. Theodore Judah dreams of building a  
transcontinental Railroad.  
*1863* The race between the Central Pacific and Union Pacific  
railroad officially began.  
*1869* May 10, transcontinental railroad meets at Promontory  
Summit, Utah.

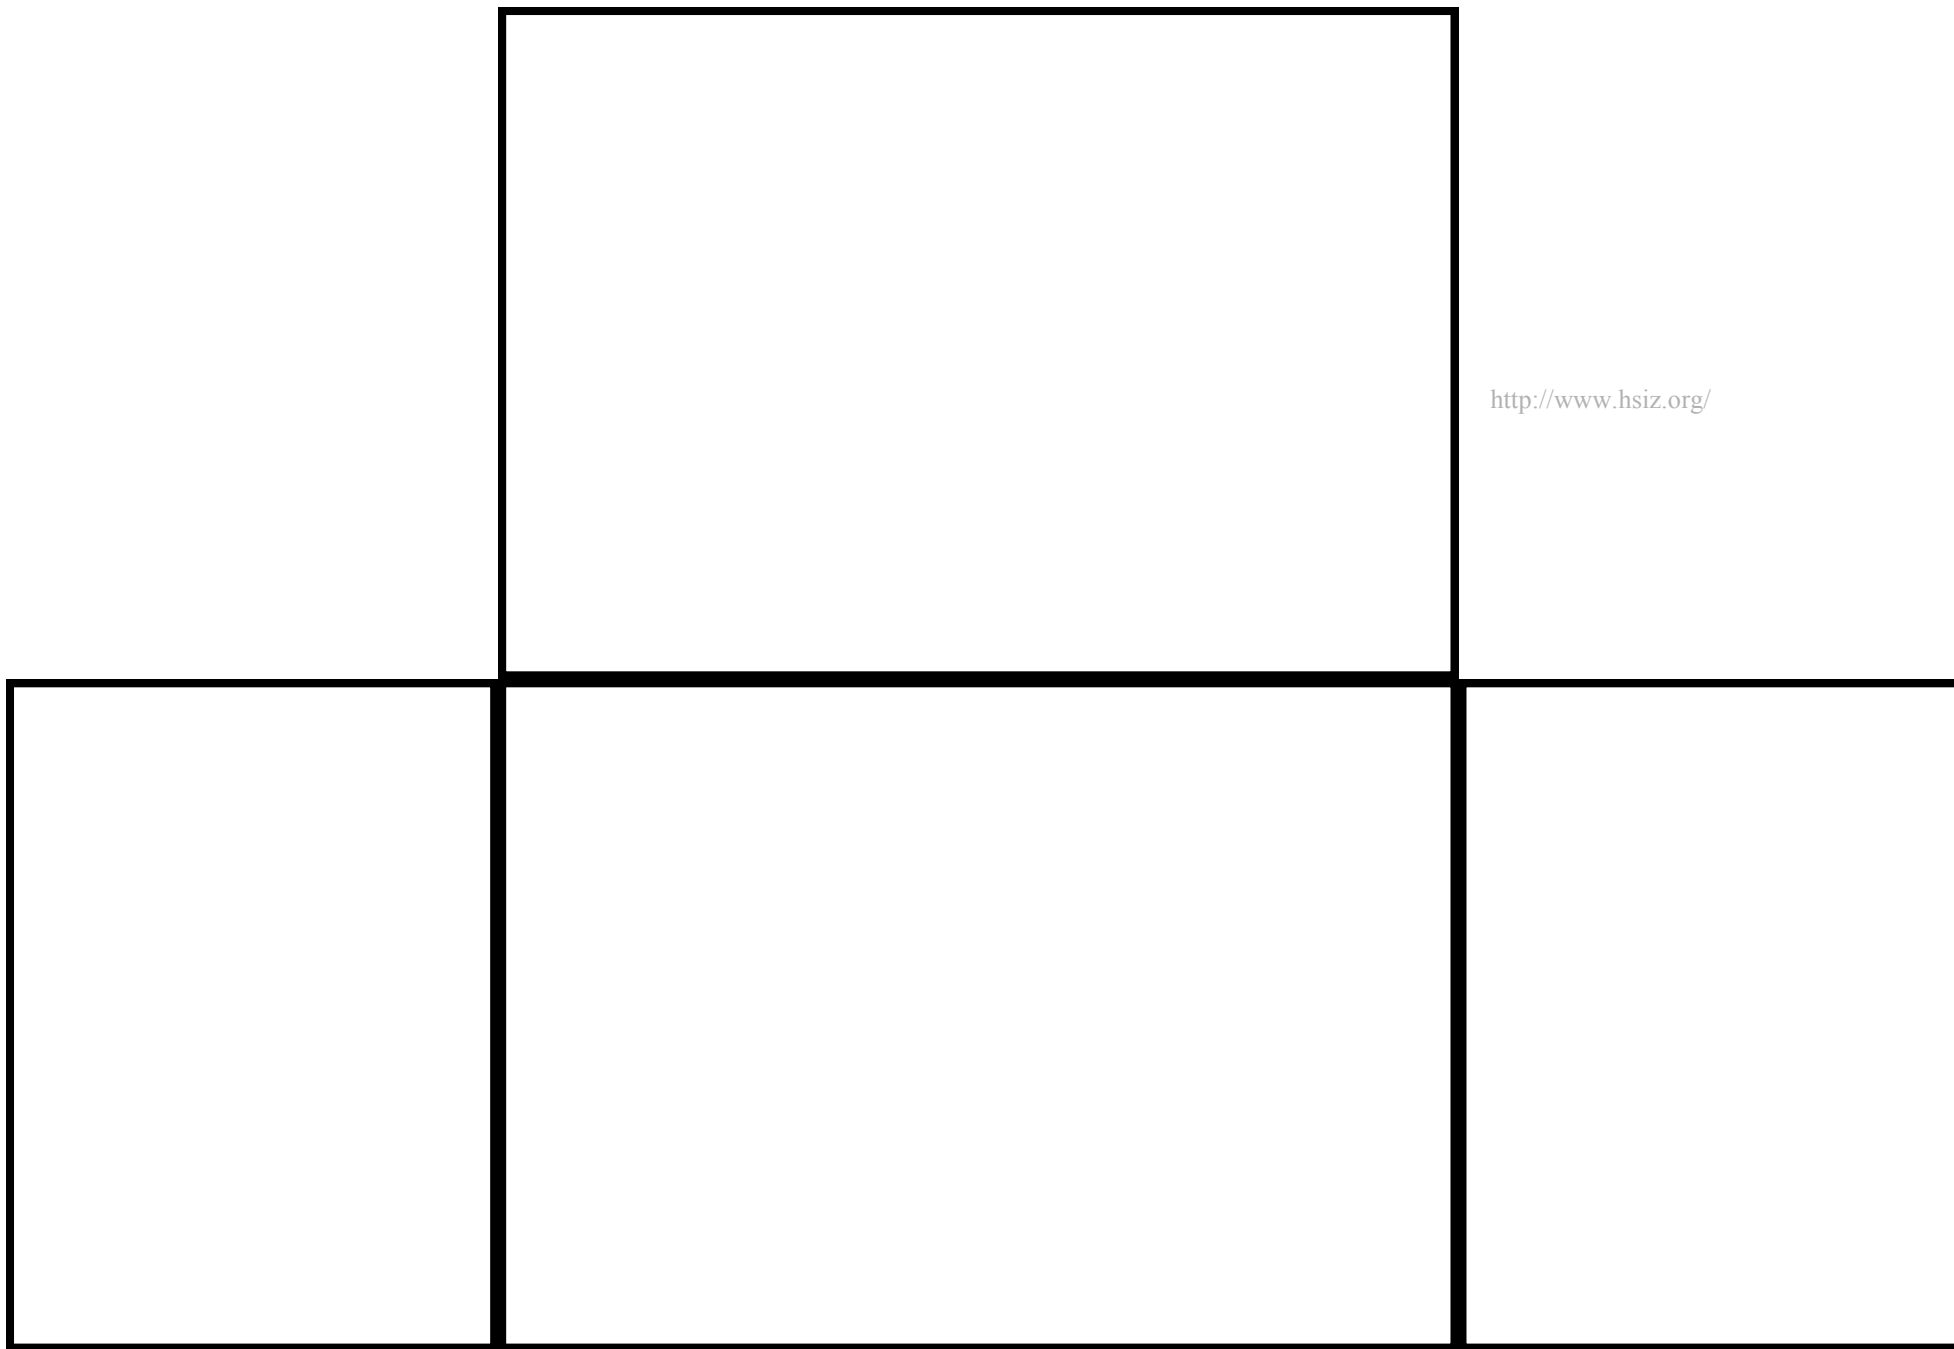

*~Transcontinental  
May 10,  
Central Pacific*

Option :

Use page 3 for older kids and have them do research on railroading terms or do a News report for the day of May 10 when the two train companies met.

Younger children can draw trains or their favorite part of a train..
