Early Reader with Writing Activities

St Aiden's Homeschool  
South Africa

Name: \_\_\_\_\_

## Notes :

This very simple book focuses on using high frequency words (Dolch Words) during the foundation and early stages of learning from pre-primary to Grade 3. The words are used repetitively to form new sentences using words beginning with a specific letter of the alphabet. Used in combination with our Alphabet Picture Dictionary the child will quickly recognise the words and pictures, simultaneously learning to form short basic sentences. There will be a book for each letter of the alphabet.

The High frequency Words used in this book are *inter alia*: I, see, like, do, you, can, me, my, may, can, the, a, an, yes

For children who have familiarised themselves with the words, I have included handwriting practice on each sentence.

Below is a list of Dolch Nouns in alphabetical order if you prefer to include them in these activities:
