Like other Native American cultures we have studied about the Cherokee culture too was advanced. Women were an important part of society and daughters inherited houses from their mothers.

There were also 7 different Cherokee clans, each with their own unique characteristics.

Listed on the minibook from left to right are the Bird Clan, Blue Clan, Paint Clan, Wolf Clan, Deer Clan, Wild Potato Clan, and Long Hair Clan.

Read about each clan at the website below and then write a few characteristics about each one on each page. Cut out and staple on the left side where black lines are placed. Glue on your page.
